-7-

7. Status LEDs

Battery Status	Orange LED indication: ① ● ● ● ● ② ③ ● ● ● ● ④ ● The ①②③④ orange LEDs are always on, indicating the battery power: full charge (>18h), 12-18h, 6-12h, 3-6h. The ④ orange LED is on and flashing continuously, indicating that the remaining battery life is less than 3h, and the battery needs to be recharged immediately.
Charging Status	1) The orange LEDs light up from the full off state to the current charging power (idle charging). 2) The white LEDs light up from the full off state to the current charging power (Charging at work).
No Connection Status	The orange LEDs are on, indicating that the mesh network is not connected, and the number of LEDs indicates the current power.
BT Reset Status	The orange LEDs flash alternately.
OTA Upgrade Status	The four orange LEDs scroll back and forth with a fade-in and fade-out effect. *Upgrading requires Sidus Link Bridge with more than 20% power.
Working Status	When working, the Status LEDs light white.
Smart Light Sensitive Status	The brightness of the LEDs changes with the ambient brightness.

Service Warranty (EN)

Aputure Imaging Industries Co., Ltd. warrants the original consumer purchaser from defects in material and workmanship for a period of one (1) year after the date of purchase. For more details of warranty visit www.aputure.com

Important: Keep your original sales receipt. Be sure the dealer has written on it the date, serial No. of the product. This information is required for warranty service.

This warranty does not cover:

- Damage that is the result of misuse, abuse, accident (including but not limited to damage by water), faulty connection, defective or maladjusted associated equipment, or the use of the product with equipment for which it was not intended.
- Cosmetic defects that appear more than thirty (30) days after the date of purchase. Cosmetic damage caused by improper handling is also excluded.
- Damage that occurs while the product is being shipped to whoever will service it.

This warranty is void if:

- The product identification or serial No. label is removed or defaced in any way.
- The product is serviced or repaired by any one other than Aputure or an authorized Aputure dealer or service agency.
